DUNDEE DIRECTORY,

1891-92.

GENERAL NOTICE.

THE material prosperity of the city, we are glad to state, has in no way deteriorated during the past twelve months. On the contrary, it has fully maintained its position; and there are indications that the coming year will be as satisfactory in every respect. At present employment is abundant, wages are good, and skilled handicrafts are highly paid. To the employer and employee the year has been of mutual advantage. A notable feature has been the absence of discontent or strikes on the part of factory operatives; and all concerned appear to be on the best terms with each other. It is to be hoped that this placid and magnanimous spirit will continue to mark their relationship, and that no misconception or untoward event will occur to mar the mutual harmony.

There are many items of interest worthy of notice, so far as they are associated with the progressive well-being of the city. Most of the public buildings formerly mentioned have been completed, and are now fulfilling the purposes for which they were intended. The Epidemic Hospital, in particular, regarding which much comment has been made, on the ground of excessive expenditure in construction, has been found to be a most efficient institution, its usefulness having been fully proved by an alarming outbreak of typhus fever in the months of March and April last.

Public and private enterprise, too, has had ample scope, and the continuous development of the city is apparent in all directions. This is not so conspicuous in the central thoroughfares as in the suburbs, where new tenements are springing up to accommodate an ever-increasing working-class population, and villas and cottages for the middle classes. Whitehall Street, to which reference has frequently been made in former articles, is the only thoroughfare in the centre of the city where important building operations are still going forward; and in another year the Crescent, which sweeps so gracefully into South Union Street, will be completed. Whitehall Street and Crescent will then form not only one of the most important, but, from their architectural uniformity, the most attractive street in the city, the superb blocks in course of erection at the south terminus being designed to make a suitable finish to this busy outlet to the Tay Bridge and Caledonian Railway Stations. In Nethergate an important improvement has taken place. Several old unsightly buildings, extending

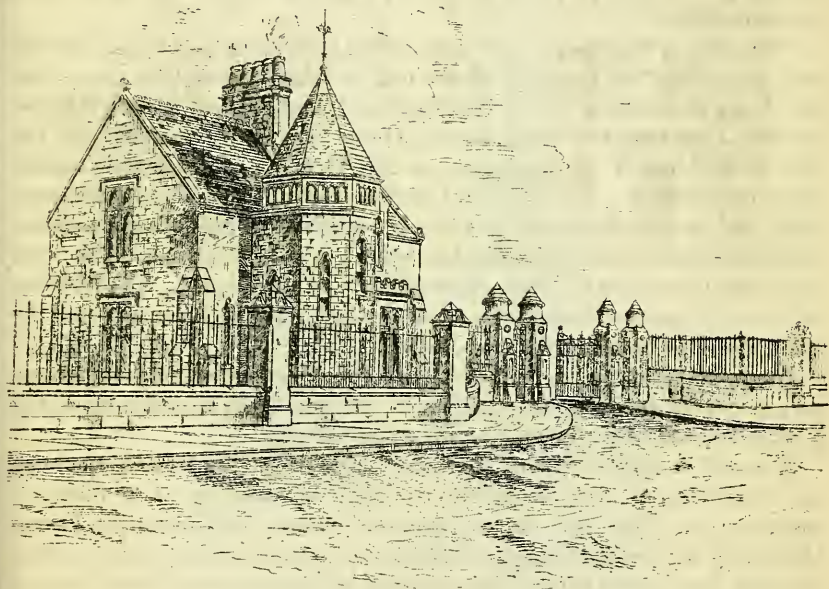

from Tay Street Lane to St Enoch's Church, are cleared away, and two handsome tenements have taken their place. Both tenements,

though of different styles of architecture, are of a substantial character, and vastly improve the locality. The footway is widened, and street traffic, which was often little else than congested at this point, is now carried on with ease. Several firms, to cope with increased business, are enlarging their establishments. This is notably the case with Messrs Lindsay & Low, who, to meet the demands made upon them, are constructing extensive preserve works at Carolina Port; and a large addition is being made to the Confection and Preserve Manufactory in New Inn Entry for Messrs Keiller & Son. In many of the mills and factories additional accommodation has been added; and at Cherryfield, Scouringburn, an extensive spinning-mill is in progress. Outwith the centre of the city building operations are carried on with great activity. At Clepington, Mr Adam Will is about to construct a large set of dwelling-houses for working people. These houses are intended to be models in this class of buildings. At Gardner Street, at the West end, building has been going on for several years. The west side of this street is now about finished, the houses, on the whole, being fair specimens of those now occupied by working people.

We have pleasure in referring to the gift of a Public Park to the community by the firm of Messrs Cox Brothers. A recreation ground for the people of Lochee and West end of the city has long been an apparent want, and the Messrs Cox, recognizing the usefulness of such a boon, have laudably come forward and placed at the disposal of the city, for all time coming, a resort in every way adapted for engaging in all healthful and manly sports. The laying out of the Park will take some time, but the parapet wall, which is to be surmounted with a substantial iron railing, is nearly finished. The Lodge, at the main entrance, of which we give a sketch, is a handsome structure, designed by Mr Alexander Johnston, architect, and it will form a graceful feature

LODGE AND GATEWAY, LOCHEE PARK.

in the grounds. The community undoubtedly is grateful to the donors of the gift, which will be appreciated by rising generations in years to come.

Of large public undertakings not much can be said. The Esplanade is gradually going forward, but at present, with the exception of a few hundred yards in the vicinity of the North British Station at Magdalen Green, it is little else than a loose break-water. Still the work, though going on slowly, is going on surely; and an undertaking of such a gigantic nature cannot be completed in a short time. A proposal, the

practical outcome of which must sooner or later be faced, has been brought before the Commissioners, and for the time being has met with a negative. The proposal to which we refer is a comprehensive scheme to clear out the slums in Tindal's Wynd from High Street southwards, and to erect in their stead such buildings of a public character as would meet with the approval of the community. The scheme has been shelved, but ere long it must again force itself upon the notice of the public—it is to be hoped with better results. Another undertaking of public importance is the erection of an Hospital at East Poorhouse. This building is now going forward, and will be of much service to indigent sick people. The traffic in Canadian cattle has proved so successful, that the Harbour Trustees have found it necessary to enlarge their sheds at Carolina Port and give more accommodation.

Two events, notable in their way, and calculated to add to the dignity and importance of the city, stand out in relief during the year; the first being the opening of the Highland and Agricultural Society's Show on 29th June last, the show lasting three days; and, secondly, by the visit of the Hon. W. E. Gladstone, on 29th October. Both events caused much commotion. The Highland Society had not visited Dundee since 1843, and every effort was put forth to make the gathering a success, the result more than gratifying the wishes of all interested. The visit of Mr Gladstone was the occasion of effusive public display. The freedom of the city was conferred upon the distinguished gentleman, and he was otherwise feted by the corporation.

The opening of the Forth Bridge, although not exactly a local event, may justly be regarded as such, as it will prove the medium by which a large amount of traffic will be added to the city.

It would be difficult to find so near a busy centre like Dundee a suburb so attractive, or one possessing so many advantages as a place of residence for the middle and trading classes, as Broughty Ferry. Originally an obscure fishing village, it has developed so rapidly during the past forty years that it has virtually become an independent burgh, with many of the privileges attached thereto. The situation of Broughty is fine, and, as its heights and ridges are covered with palatial residences and substantial villas and cottages, its appearance is extremely picturesque and pleasing. Of recent years its amenities have been greatly improved. Its wide streets, uniformly laid out, are kept in excellent order, and its public business is conducted efficiently by a popularly-elected Commission. It has good railway communication to and from Dundee, and is largely frequented in summer by strangers from many parts of Scotland, who are desirous of taking advantage of its bathing facilities—its fine beach, fronting the Tay estuary, being well adapted for such purposes.

As it is desirable that the environments of Broughty Ferry should be easily and readily traced, we have, for the first time, issued a comprehensive Plan of the Burgh. All the streets are distinctly defined, as well as the situation of the principal public and private buildings. It is to be hoped that the Plan will prove useful, not only to the resident population, but to those who, either on business or pleasure, have reason to visit this popular resort.

At Invergowrie many new buildings have recently sprung up. At present one of the finest Episcopal Churches in Scotland is being

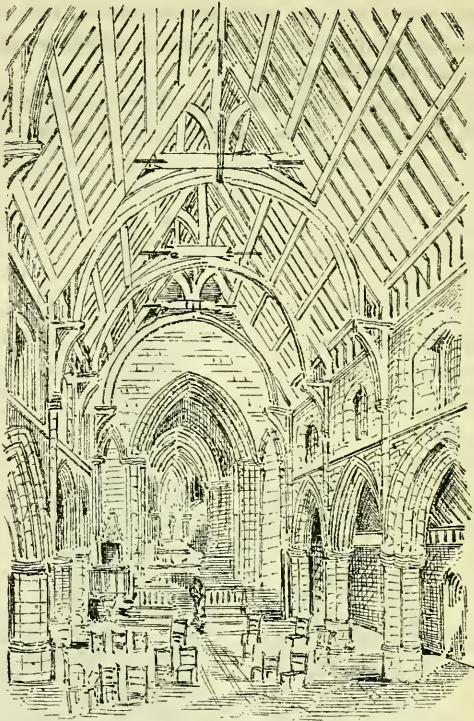

NEW CHURCH, INVERGOWRIE.

built for the congregation of All-Souls. It is composed of fine Ballochmyle red stone, skilfully worked. It is evident that the utmost care is being taken to make the Church singularly beautiful and attractive, externally and internally. The plans have been prepared by Mr Hippolyte J. Blanc, architect, Edinburgh.

In the Lochee suburb building operations have been active. The new Public Schools in Liff Road are well advanced, the Free Church has been reconstructed, and in different parts new dwelling-houses and

cottages have been erected. A Public Clock is to be placed in the tower of the Free Church in the course of the present year. Arrangements are also being made for the erection of a Public Hall and Rooms

INTERIOR OF NEW CHURCH, INVERGOWRIE.

for the Young Women's Christian Association, Gray's Lane, High Street.

At Wormit, at the south terminus of Tay Bridge, there is unwonted activity, many handsome villas and cottages having been lately finished. This village bids fair to rival Newport in a comparatively short time. Newport and Tayport have also stepped several paces forward; and Carnoustie and Monifieth have kept pace with the times. Downfield is now nearly joined to Dundee. In the course of a few years it must of necessity be incorporated as part of the city.

The Census of the city was taken in April, when the population amounted to 155,429.

INLAND RATES OF POSTAGE—LETTERS.*

The rates of postage, when prepaid, are as follows, viz.—

For a letter not above 1 oz.	-	-	-	1d.
„ above 1 oz. but not above 2 oz.	-	-	-	1½d.
„ „ 2 oz.	„	„	4 oz.	2d.
„ „ 4 oz.	„	„	6 oz.	2½d.
„ „ 6 oz.	„	„	8 oz.	3d.
„ „ 8 oz.	„	„	10 oz.	3½d.
„ „ 10 oz.	„	„	12 oz.	4d.
„ „ 12 oz.	„	„	14 oz.	4½d.

and so on at the rate of ½d for every additional 2 oz.

A letter posted unpaid is chargeable on delivery with double postage; and a letter posted insufficiently prepaid is chargeable with double the deficiency.

No letter may be above 18 inches in length, 9 inches in width, or 6 inches in depth, unless it be sent to or from one of the Government Offices.

NEWSPAPERS.

The prepaid postage on every registered inland newspaper is one halfpenny, but a packet, containing two or more registered newspapers, is not liable to a higher rate than the book-postage upon it would be.

Any publication fulfilling the subjoined conditions can, upon payment of an annual fee of 5s, be registered at the General Post Office for circulation within the United Kingdom as a newspaper, as also for transmission abroad. Unregistered, a newspaper is liable to the book rate of postage.

- a. The publication must consist wholly or in great part of political or other news, or of articles relating thereto, or to other current topics, with or without advertisements.
- b. It must be printed and published in the United Kingdom; and in numbers at intervals of not more than seven days.
- c. The full title and date of publication must be printed at the top of the first page, and the whole or part of the title, and the date, at the top of every subsequent page.
- d. A supplement must consist wholly or in great part of matter like that of a newspaper, or of advertisements, printed on a sheet or sheets, or on a piece or pieces of paper, unstitched; or wholly or in part of engravings, prints, or lithographs illustrative of articles in the paper. It must in every case be published with the paper, and have its title and date printed at the top of every page; or, if it consists of engravings, prints, or lithographs, at the top of every sheet or side.

* Inland letters are those which pass between places in the United Kingdom, including the Isle of Man, the Orkney, Shetland, Scilly, and Channel Islands.

A newspaper, if posted in a cover, must have such cover open at both ends, so as to admit of easy inspection, and the title must be exposed to view.

A newspaper or packet of newspapers which contains any enclosure, except supplements (unless it be such as might be sent at the book rate of postage, and the entire packet be sufficiently prepaid as a book packet), is liable, if under 8 oz. in weight, to be charged as a letter packet; and if over 8 oz. it is transferred to the Parcel Post, and charged a fine of 1d, in addition to any deficient parcel postage.

A newspaper which has anything written on it, or its cover, of the nature of a letter, is liable to postage as an unpaid or insufficiently paid letter. The cover must not bear anything besides the title of the newspaper and the name and address of the sender and of the addressee. It is recommended that the address be written on exposed parts of the newspapers themselves as well as on the covers.

A newspaper posted unpaid, or a packet of newspapers posted unpaid, or insufficiently paid, is treated as an unpaid or insufficiently paid book packet of the same weight (see Book Post).

A packet of newspapers must not weigh above 14 lbs., or exceed two feet in length, one foot in width, or one in depth.

Newspaper wrappers are sold at the following prices:—Bearing halfpenny stamp, at the rate of 7 for 4d or £1 2s 10d per parcel of 480; bearing penny stamp, at the rate of 8 for 8½d or £1 1s 3d per parcel of 240.

BOOK POST.

The prepaid postage is one halfpenny for every 2 oz. or part of that weight. If posted unpaid the charge is double that amount; and if posted partially paid, double the deficiency.

The following may be sent by book post:—Books and other literary publications, photographs, prints, and drawings on paper; and, generally, any paper or other substance in ordinary use for printing or writing upon, whether plain or not, provided that it bear no letter or communication of the nature of a letter,* except a “circular” (as defined below); and a book packet may also contain anything necessary for the safe transmission of any of the before-mentioned articles, and legitimate binding or mounting (not consisting of glass or any brittle substance) when transmitted in the same packet with the article to which it belongs.

Circulars—*i.e.*, letters which, from internal evidence, appear to be intended for transmission in identical terms to several persons, and the whole or the greater part of which is produced by means of ordinary type, engraving, lithography, or other mechanical process—may also be sent by book post. Productions of the type-writer, or imitations thereof, are not admissible as circular letters.

Articles sent by book-post must not be fastened so that they cannot be opened, and the only covers admissible are such as are entirely open at both ends, so as to admit of the contents being easily withdrawn for examination. A book-packet may, however, be tied at the ends with string.†

No book-packet may be above 5 lbs. in weight, 18 inches in length, 9 in width, or 6 in depth, unless it be sent to or from a Government office.

A book packet, in the case of which any of the above rules is infringed, is chargeable, if under 8 oz. in weight, as a letter packet, and if over 8 oz. it is transferred to the Parcel Post and charged a fine of 1d, in addition to any deficient parcel postage.

* Entries merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter.

† In order to secure the return of book-packets which cannot be delivered, the names and addresses of the senders should be printed or written *outside*; thus, “From _____ of _____.”

POST CARDS.

Official Post Cards, impressed with a halfpenny stamp,—double or reply Post Cards impressed with a halfpenny stamp on each portion of them,—and private Cards impressed at the Office of Inland Revenue with halfpenny stamps,—may be transmitted between places in the United Kingdom with letters printed or written upon the back. Adhesive stamps are not allowed.

The front (or stamped) side is for the address only, in addition to the words printed thereon. Nothing else must be written, printed, or otherwise impressed on it or the stamp. On the reverse side any communication, whether of the nature of a letter or otherwise, may be written or printed. Nothing whatever may be attached, except adhesive stamps for additional postage or stamp duty; nor may the card be folded, cut, or otherwise altered. If any one of these rules be infringed, the card will be charged 1d on delivery.

No card other than one of those issued by the Government, or a private card impressed with a halfpenny stamp at the Office of the Inland Revenue, will pass under a halfpenny stamp, if it bear on it a communication of the nature of a letter (unless it be a circular letter as defined above).

Inland Post Cards are sold at the following rates:—

Stout Cards 10 for 6d, or 5s per parcel of 100.

Thin Cards 10 for 5½d, or 11s per parcel of 240.

Reply Stout Cards 10 for 1s, or 5s per parcel of 50.

Reply Thin Cards 10 for 11d, or 11s per parcel of 120.

INLAND PATTERN AND SAMPLE POST.

Trade Patterns and Samples of Merchandise may be sent between places in the United Kingdom at the following rates of postage:—

For a packet weighing not more than 4 oz. - - - - - 1d.

” ” more than 4 oz. but not more than 6 oz. 1½d.

” ” 6 oz. ” ” 8 oz. 2d.

No packet must exceed 8 oz. in weight. Limits of dimensions—12 in. by 8 in. by 4 in.

This post is absolutely restricted to *bona fide* trade Patterns and Samples of Merchandise. No article sent for sale or in execution of an order, or sent from a private individual, will be admissible, and if any such be posted at the Pattern rate it will be charged with double the deficient postage at the letter rate, together with a fine of 6d.

Patterns and Samples must be sent in wrappers (marked Pattern Post or Sample Post) entirely open at both ends, so that they can be easily withdrawn for examination; but Samples of seeds, flour, drugs, &c., may be enclosed in boxes (but in such a way as to admit of easy examination), or in bags tied at the neck. Closed bags, even if transparent, will not be allowed.

It is obligatory that the name, trade, and address of the sender be in all cases printed or stamped on the outside of the wrapper above the address.

Patterns may be returned (at Pattern rates) to the Trader or Firm by whom they were originally sent. They may be returned in the original wrapper, the written address being erased and the words “Returned Patterns” being prefixed to the printed address of the Trader; or they may be returned in a fresh wrapper, with printed or stamped heading, &c.

The number, price, and private business marks may (as well as the address) be in writing, but no other writing will be allowed.

No glass bottle, glass in any form, liquid, or greasy matter can be sent.

GOVERNMENT INSURANCES AND ANNUITIES.

Under the Government Annuities Act, 1882, Insurances may be effected for amounts not less than £5 and not more than £100 on one life; and Annuities may be purchased for amounts not less than £1 and not more than £100 on one life. Forms of proposals may be obtained at the Post Office.

INLAND PARCEL POST.

Parcels *not exceeding 11 lbs. in weight* are received at any Post Office for transmission between places in the United Kingdom.

In order that a packet may go by Parcel Post, it must be tendered for transmission as a parcel, and should bear the words "Parcel Post,"—which should be clearly written in the left-hand top corner.

The size allowed for an Inland Postal Parcel is—

Greatest length, - - - - - 3 ft. 6 in.

Greatest length and girth combined, - - - - - 6 ft. 0 in.

The rates of Postage are—for a Parcel—

Postage stamps to the required amount must be affixed by the sender, and parcels must not be posted in a letter-box, but must be taken into a Post Office and handed over the counter.

Parcels containing fish, game, meat, eggs, &c., or razors, scissors, needles, knives, forks, or other sharp instruments, are not accepted unless securely packed so as to guard against risk of injury to other parcels. Liquids or semi-liquids, such as jellies, pickles, paint, varnish, &c., are not accepted unless in bottles or cans securely stoppered; nor powders, unless well packed.

Parcels addressed to or sent from the Channel Islands are received under the above conditions and rates, but such parcels are liable to Customs examination at the port of arrival, and the sender is required to make a declaration of contents upon a special form provided for the purpose.

Parcels addressed to a Post Office to be called for, or to a person residing beyond the free postal delivery, are kept three weeks. At the end of one week, if the parcel bears on the outside the sender's name and address, a notice of the fact that the parcel has not been delivered is sent to him.

Parcels addressed to a Post Office "to be called for," are liable to a demurrage charge at the rate of 1d a day. No demurrage is charged on parcels addressed to persons outside the limits of free delivery, or to persons on board ship.

In order to facilitate the return of parcels which cannot be delivered, it is most desirable that the name and address of the sender should appear on the outside of every parcel.

Compensation for the Loss or Damage of Inland Parcels.

If a parcel is not registered, the Postmaster-General will accept liability up to £2, without payment of any fee beyond the postage, provided that—(1) the parcel is posted in the manner prescribed for the posting of parcels, and the postage prepaid; (2) a certificate of posting is obtained from the officer receiving the parcel; (3) the contents of the parcel are securely packed.

No compensation (either for loss or damage) will be given in respect of a parcel containing (1) anything which may not be sent by Inland Parcel Post; (2) money; (3) a watch or jewellery, unless registered.

No compensation will be given in respect of damage to a parcel containing eggs, soft fruit, liquids, or any exceptionally fragile or perishable articles; but, in all such cases, compensation will be given in respect of the loss of the parcel, or of any article contained therein.

INLAND REGISTRATION.

The fee for registering any Inland postal packet (parcels included) is twopence, and this registration fee and the postage must be prepaid.

Every article presented for registration must be enclosed in a strong cover, securely fastened. It must be given to an Agent of the Post Office, and a receipt obtained for it. If, contrary to this rule, an article marked "Registered" be dropped into a letter-box, it will be liable to a registration fee of 8d (less any amount prepaid for registration).

Every article presented for registration should be marked "Registered," and with the amount of the fee proper to the value up to which the sender desires to secure compensation, thus—"Registered 2d," or "Registered 3d."

Inland postal packets containing coin, watches, or jewellery, if posted without registration, are subject to compulsory registration, and are charged on delivery with a fee of 8d, in addition to the ordinary postage; but such compulsory registration gives no title to compensation for loss or damage.

The sender of an Inland postal packet may obtain an acknowledgment of its due delivery by paying, at the time of posting, a fee of 2d in addition to the postage and registration fee.

The Postmaster-General will (subject to certain rules) give compensation for the loss and damage of Inland Registered Postal Packets of all kinds upon prepayment of a fee in addition to the postage. This fee either consists of, or includes in each case, the ordinary registration fee of 2d; and the scale of fees and the respective limits of compensation are as follows:—

Fee 2d, Compensation	£5.	Fee 5d, Compensation	£20.
„ 3d, „	£10.	„ 6d, „	£25.
„ 4d, „	£15.		

The registered Parcel Post is also available for watches and jewellery. Money may also be sent in a registered parcel, but no compensation will be given in respect of the loss or damage of such parcel.

POST OFFICE EXPRESS DELIVERY OF LETTERS AND PARCELS.

Letters and Parcels are accepted at the Head Post Office for immediate despatch to any part of the Town Postal Area. They must be handed in over the counter at the Head Post Office, and the words "Express Delivery" must be written above the address by the sender.

The fee for the Express conveyance and delivery of a letter or parcel, in addition to the full ordinary prepaid postage, but exclusive of charges for omnibus, tramcar, and railway conveyance, will be as follows:—

For the first mile or under,	- - - - -	2d.
For every mile or part of a mile beyond the first,	- - - - -	3d.

The postage and fee must be prepaid in postage stamps affixed to a Post Office form provided for the purpose. Cabs will be used if specially paid for.

On the delivery of a letter or parcel, the messenger may take a reply or perform a further delivery service, provided that a second fee and new postage be paid. When a reply or further service is required by the sender, the words "Wait Reply" or "Further Service" must be written above the address. When a letter or parcel is taken on a return or further service to an address within half a mile, more or less, of the original office of posting, half only the special messenger fee, in addition to postage, will be charged.

RE-DIRECTION.

Letters and Postal Packets are, when re-directed, liable to additional charge for each re-direction unless both the original and the second address are within the delivery of the same Post Office. Notices of Removal and applications for letters to be re-directed must in all cases be duly signed by the person to whom the letters are addressed. Printed forms can be obtained from the local Postmaster.

A Postmaster is not bound to re-direct letters for a person temporarily leaving home, and not having a private bag or box, unless the house be left uninhabited.

SPOILT STAMPS.

Applications for allowance on spoilt, or unused, postage stamps, embossed envelopes, post-cards, or newspaper wrappers, which have not passed through the post, should be made at the Stamp Office.

FOREIGN AND COLONIAL LETTERS.

The rates of postage on letters for Foreign Countries and the Colonies will be found in the Table of Foreign and Colonial Postage.

Letters posted unpaid, or insufficiently paid, to any country where payment is compulsory, are returned to the writers.

Unpaid letters to or from Postal Union countries or Australia, New Zealand, Cape Colony, Natal, Bechuanaland, Orange Free States, Transvaal, and St Helena are charged double the prepaid rate. Partially prepaid letters are charged with double the deficiency.

No letter for a colony or foreign country may exceed 2 feet in length or foot in width or depth.

FOREIGN AND COLONIAL NEWSPAPERS.

The rates of postage to Foreign countries and the Colonies on newspapers registered for transmission abroad will be found in the Table of Foreign and Colonial Postage. Each newspaper is liable to a separate rate of postage, whether sent singly or in a packet.

The conditions of Registration of Newspapers for transmission abroad are the same as those for inland transmission; excepting that for foreign transmission a Newspaper may be published at intervals of thirty-one days. Moreover, Prices Current and Market Reports (but not private price lists or trade catalogues) may be registered as Newspapers for foreign transmission, provided that they be published at intervals not exceeding thirty-one days.

All publications registered for transmission abroad *must be posted within eight days from the date of publication*, including that day; and any newspaper posted more than eight days after the date of publication, as well as any unregistered publication, must be prepaid at the book rates of postage.

The collected numbers issued during the month of a weekly or fortnightly publication are not allowed to pass as a monthly publication.

FOREIGN AND COLONIAL BOOK POST.

Articles which may be sent to places abroad under the Book Post Regulations consist of two classes, as follows:—

- (a) "Commercial Papers," under which are comprised all papers or documents written or drawn wholly or partly by hand (except letters or communications in the nature of letters, or other papers or documents having the character of an actual and personal correspondence), documents of legal procedure, Deeds drawn up by public functionaries, copies of or extracts from Deeds under private seal (and whether written or printed on stamped or unstamped paper), Way Bills, Bills of Lading, Invoices, and other documents of a mercantile character, documents of Insurance and other public companies, all kinds of manuscript music, the manuscript of books and other literary works, and other papers of a similar description.
- (b) "Printed Papers," including periodical works, books (stitched or bound), pamphlets, sheets of music (printed), visiting cards, address cards, proofs of printing (with or without the manuscript relating thereto), engravings, photographs (when not on glass or in frames containing glass), drawings, pictures, papers impressed for the use of the blind or card-board drawing,

models stamped in relief (except for Russia and Sweden), plans, maps, catalogues, prospectuses, announcements, and notices of various kinds, whether printed, engraved, lithographed or autographed, and in general all impressions or copies obtained upon paper, parchment, or card-board by means of printing, lithographing, autography, or any other mechanical process easy to recognize, except the copying press and type writer, and anything usually appurtenant to any of the before-mentioned articles in the way of binding, mounting, or otherwise, and anything convenient for their safe transmission by post which shall be contained in the same packet; also printed, engraved, or lithographed circulars, notwithstanding that such circulars may be letters or communications in the nature of a letter. Stamps for prepayment and all printed articles constituting the sign of monetary value are however excluded.

The two classes are subject to the same rates of postage, except that when addressed to countries in the Postal Union the minimum rate for Commercial Papers is $2\frac{1}{2}$ d in every case. If there be any mixture of the two in the same packet the whole packet is treated as Commercial Papers.

A Book Packet may be posted without a cover or in a cover open at both ends. It may be tied at the ends with string.

The limit of size for Packets addressed to countries of the Postal Union is 18 inches in length by 1 foot in width or depth; and for Packets addressed to other places abroad 2 feet in length by 1 foot in width or depth. The limits of weight are 4 lbs. for countries of the Postal Union; 3 lbs. for New South Wales, Queensland, and Fiji; and 5 lbs. in all other cases.

All Books and printed matter imported into the United States through the Post, however small the values, are subject to a duty of 25 per cent. of that value. The following articles are still exempt from Custom duties:—1. Newspapers and periodicals already exempt from duty; 2. Photographs and printed papers, other than Books, received in the United States in such small quantities as to suggest that they are intended for personal use and not for sale.

Books and Periodicals addressed to the Republic of Colombia are liable to Customs duties unless intended for the personal use of the addressees.

The rates of postage, which must be prepaid, on packets to places abroad are given in the Table of Foreign and Colonial Postage.

FOREIGN AND COLONIAL PATTERNS AND SAMPLES.

There is a Pattern and Sample Post to Foreign Countries and the Colonies generally; but it is restricted to *bonâ fide trade patterns or samples of merchandise*. Goods sent for sale, or in execution of an order (however small the quantity may be), or any articles sent by one private individual to another which are not actually patterns or samples, cannot be forwarded as patterns.

No article liable to Custom Duties can be sent as a sample or pattern.

The rates for Patterns are the same as for Books, except that the lowest charge is 1d for a packet addressed to any of the countries to which the postage is $\frac{1}{2}$ d per 2 oz. for Books. (See List of Postal Union Countries.)

Patterns or Samples, when practicable, must be sent in covers open at the ends, and in such a manner as to be easy of examination. But samples of seeds, drugs, and such like, may be posted enclosed in boxes or bags fastened in such a manner that they may be readily opened.

There must be no writing or printing upon or in any Sample Packet for non-Union countries, except the address of the person for whom it is intended, the address of the sender, a trade mark or number, the price of the articles, the weight or size, and the quantity to be disposed of, or such as may be necessary to indicate the place of origin or the nature of the merchandise.

Samples of saleable value must not be sent to any foreign country, or to any of the British possessions which are comprised in the Postal Union.

Liquids, Glass, Explosives and Colouring Powders, are absolutely prohibited.

A Packet of Patterns or Samples sent to any place in the Postal Union (except Belgium, France, Greece, Italy, Japan, Luxemburg, Portugal, Switzerland *via* France, Argentine Republic, and United States) must not exceed 8 inches in length, 4 in width, or 2 in depth. The limit to Belgium, France, Greece, Italy, Japan, Luxemburg, Portugal, Switzerland *via* France, Argentine Republic, or United States, is 1 foot in length, 8 inches in width, and 4 inches in depth. The size of a packet for a non-Union country or colony is limited to 2 feet in length and 1 foot in width or depth.

FOREIGN AND COLONIAL POST CARDS.

Post Cards for abroad with impressed stamps of 1d, 1½d, and 2d each are sold at those rates, and are transmissible to all the countries of the Postal Union without extra charge. Reply Post Cards, prices 2d, 3d, and 4d each.

Single Cards (but single cards *only*) are transmissible to Australia, Fiji, New Zealand, the Cape of Good Hope, and Natal.

Inland Post Cards are also transmissible if the additional postage required is supplied by postage stamps being affixed.

The regulations relating to Inland Post Cards apply also to Cards posted for places abroad, except that the latter, when these regulations are infringed, are not forwarded.

MONEY ORDERS.

When applying for Money Orders, the public should use the printed "Application Forms," which are supplied gratuitously at all Money Order Offices.

The commission on Inland Money Orders is:—

For sums not exceeding £1,	-	-	-	-	-	-	2d.
„ above £1 and not exceeding £2,	-	-	-	-	-	-	3d.
„ „ £2 „ „ £4,	-	-	-	-	-	-	4d.
„ „ £4 „ „ £7,	-	-	-	-	-	-	5d.
„ „ £7 „ „ £10,	-	-	-	-	-	-	6d.

The applicant must furnish, in full, the surname and at least the initial of one Christian name, both of the remitter and the payee, together with the remitter's address. In the case of Foreign Orders the full address of the payee must be given; and if the Order be payable to a native in British India, the Tribe or Caste, and the Father's name must also be furnished.

Exceptions.—1st. The remitter of an Inland Order may direct at the time of issue, that the Order be crossed like a cheque thus, & Co., and thus be payable only through a Bank. In that case he may give or withhold the name of the payee. The designation of the Bank need not be furnished.
2d. If the remitter or payee be a peer or a bishop, his ordinary title is sufficient.
3d. The usual designation of a firm is sufficient, except when a company trades under a title which does not consist of the names of the persons composing it, as the "Carron Company," but even a designation of this nature may be accepted provided the Order be crossed for presentation through a Bank.

The remitter may make his order payable ten days after date, provided that, when he obtains the order, he affix thereto, in the presence of the Postmaster, in the space after the request C., a penny adhesive stamp, and write his signature across the stamp.

To guard against fraud the remitter is recommended,—

- 1st. When he is well known to the payee, to sign the letter enclosing the Order with his initials only.
- 2nd. When this is not the case, either to make the Order payable ten days after date, or to register the letter enclosing it, or to make the Order payable through a bank by crossing it like an ordinary cheque.
- 3d. When it is not considered expedient to adopt either of these courses, to send the remitter's name (without a knowledge of which payment cannot be obtained) in a separate letter from that containing the Money Order; although this latter precaution is much less effective than either of the others.

Money may be transmitted by Telegraph Money Order in the United Kingdom. The commission is double the rate of an ordinary money order, and, in addition to the commission, a charge is made at the ordinary inland rate for the Official Telegram authorizing payment at the Office of Payment and for the repetition thereof, the minimum being 9d. Any telegraphic communication which the remitter may wish to despatch to the payee must be paid for at the ordinary inland rate, the minimum being 6d.

Money Orders are issued in the United Kingdom on the following Foreign countries, British Colonies, &c., at the rates of commission shown below:—

FOREIGN COUNTRIES.—Austria, Belgium, Bulgaria, Chili, Denmark (with Farø Islands), Danish West Indies, Dutch East Indies, Egypt, France (with Algeria), German Empire, Hawaii (Sandwich Islands), Holland, Hungary, Iceland, Italy (with offices on the Red Sea and in Tripoli), Japan, North Borneo (Sandakan), Norway, Orange Free State, Portugal (including Madeira and the Azores), Roumania, Sarawak, Sweden, Switzerland, Transvaal, The Cameroons (through Germany), Tunis, United States.

COLONIAL AND FOREIGN POSTAGE.

In this Table the Book rate for 2 oz. is given, but to those countries to which the rate is 2d for 2 oz., 1 oz. can be sent for 1d. Also, the Newspaper rate for 4 oz. is given, but for countries mentioned in Class A, on page 121, 2 oz. can be sent for ½d.

POST OFFICE TELEGRAPHS.—INLAND TELEGRAMS.

The charge for telegrams throughout the United Kingdom is 6d for the first 12 words, and $\frac{1}{2}$ d for every additional word. Addresses are charged for.

The telegram forms are of two kinds, the "A 1" form, embossed with a stamp, and the "A" form (given gratis), with no stamp. The "A 1 forms" may be purchased singly. They may also be had in books of 20, interleaved, and with a sheet of carbonic paper, price 10s 2d each book.

When the addressee resides beyond the free delivery, portorage is charged at the rate of 6d per mile or part of a mile, provided the whole distance does not exceed three miles.

If the addressee resides at a greater distance than three miles from the terminal office, portorage is charged, for delivery by mounted messenger, at the rate of 1s per mile (except in Ireland, where the charge usually is only 8d per mile), the distance being reckoned from the office door.

No combination of words is counted as one, with the exception of those which are ordinarily written as one, or coupled by hyphens, as "mother-in-law," "non-delivery," "almshouses," "forty-seven." Certain exceptional names, such as O'Neil, MacDonalld, De la Rue, are charged for as single words. So, too, are names with the prefix "St," as St Pancras; but double names of persons, like Smith-Payne, are counted as two words.

Abbreviations of words, "can't," "won't," "don't," are counted as single words, but there is a great risk of error.

Figures are counted at the rate of five figures to a word. Fractions are counted according to the number of figures employed, one figure being added for the mark of division. In groups of figures a stop is counted as a figure. The symbols o/o, a/c, b/l, and c/o are each counted as one word.

Anyone may have an abbreviated address, or special instructions as to hours of delivery of telegrams, registered on payment of a guinea a year.

The cost of a reply, not exceeding forty-eight words, may be prepaid, and a reply form will then be delivered to the addressee, who will be at liberty to send his reply, from any telegraph office, at any time within two months.

FOREIGN TELEGRAMS.

Foreign telegrams are divided into three classes,—ordinary, code, and cypher. Ordinary telegrams are those composed of a series of words or of words, figures, and letters conveying an intelligible meaning.

Code telegrams are those composed of words, the context of which has no intelligible meaning. Proper names are not allowed in the text of code telegrams, except in their natural sense. Words of more than ten letters are not allowed. In Code telegrams only English, French, German, Italian, Spanish, Portuguese, Dutch, and Latin, may be employed, but words of any or all of these languages will be allowed in the telegram.

Cypher telegrams are those containing series or groups of figures or letters having a secret meaning; or words not to be found in a standard dictionary of the language. The portion in cypher must be composed exclusively of figures or exclusively of letters. Cypher telegrams written in letters are only accepted for places in Europe or North America.

The address of the sender is charged for, if transmitted; in any case it must be written at the foot of the form.

In ordinary European telegrams the length allowed for a word is 15 letters, in extra-European telegrams 10 letters; any additional letters being charged for at the rate of 15 or 10 letters respectively to the word.

Subject to the limit as to number of letters, ordinary compound words and names of persons and places, &c., written without break or interruption, are counted as single words. If joined by a hyphen, or separated by an apostrophe, they are counted as so many separate words.

Compound numbers written in words and without break are also counted as single words subject to the same limit as to the number of letters. The name of the office and of the country of destination in the addresses of telegrams are charged for as one word each when so written by the sender.

Every separate letter or figure is charged for as one word, and in European telegrams every group of five figures or letters is counted as one word, larger groups being counted at the rate of five figures or letters to a word, plus one word for any excess. In extra-European telegrams groups of figures (or letters when used as trade marks) are counted at the rate of three to a word, plus one word for any excess. Bars of division, decimal points, and stops used in the formation of numbers are counted as figures. Letters added to figures to form ordinal numbers are counted as figures.

"A Set of Teeth by Dr Stewart Lasts a Lifetime."

Country Patients will find at Dr STEWART'S Establishment better facilities than can be had elsewhere for the prompt insertion of Artificial Teeth.

By calling early in the day they may be accurately fitted with the Best Artificial Teeth in time to return same afternoon.

Special attention devoted to the Painless Extraction of Decayed Teeth by the aid of Nitrous Oxide Gas and other harmless Anæsthetics.

Stopping, where any hope remains of permanently preserving a tooth, carefully and satisfactorily accomplished.

THE attention of Patients is respectfully drawn to the special advantages contained in this now well-known Establishment for the insertion of Artificial Teeth and every Branch of Dental Surgery. Dr STEWART'S immense resources enable him to insert his Famed Artificial Teeth in the most satisfactory manner on the same day the Patient makes his or her first visit, so that the harassing delays common to smaller practices are entirely obviated.

Dr STEWART has been the first to Solve the Problem of High-Class Workmanship and Materials and Low Prices, and he has to thank his immense number of Patients for enabling him to continue to supply Work at the hitherto Unheard-of Quotations which follow:—

A SET OF ARTIFICIAL TEETH, ONE GUINEA; SINGLE TOOTH, 2s 6d.

Repairs and Remodels at Equally Low Rates.

It should be understood that Dr STEWART'S object is not to compete with cheap and inferior Dentists, but to supply Work-People and Persons of Limited Means with First-class and Perfectly-Fitting Teeth at a fair and moderate charge.

DUNDEE BURIAL SOCIETY

WAS established on the 20th March 1862, for the purpose of enabling working people, by means of small weekly payments, to insure sums at death according to age. It is the only Society of its kind having its headquarters in Dundee. It is managed by working-men in their spare hours. A meeting of qualified members is held in Dundee every year, where all the year's transactions are gone over and reports read as to the prosperity of the Society, both numerically and financially. At these meetings the office-bearers are elected, and any qualified member can be proposed for the vacant offices.

During the time the Society has been in existence the membership has gone up from a mere handful until it now numbers nearly 11,000; and while it was in debt the first year of its operations, there were, at the end of 1888, invested funds in Dundee to the amount of £9000 sterling. Facts like these speak for themselves; and working people belonging to, or residing in, Dundee, before joining societies with their headquarters outside the town, should make enquiries regarding the Dundee Burial Society, and see if it would not be to their interest to join a society carried on in their midst. Another feature may be mentioned: Bonuses have been paid in cash to members who had been a certain period in the Society—one Bonus amounting to £600 sterling, and the other to £1800 sterling. The Society was valued, by Mr Miln, Accountant, up to and including the 31st December 1888, and after meeting all liabilities a surplus of £2,423 2s 6d was declared—the 1888 Bonus Fund—which has been paid during 1889 at the rate of 1s 0½d per pound on member's policies. Cash Bonuses are expected to be paid to members every five years.

Parties wishing to join can do so by applying at the Office—No. 2 BAIN SQUARE, DUNDEE, any lawful evening, between the hours of 7 and 8 (Saturday excepted), or by applying to any of the Collectors whose names and addresses are given on the opposite page, when all information will be given.
